The question is do we push it forward even though they have not accepted our invitation. I guess this is Kim's recommendation, but I don't know if it is Alfreda's way. Maybe you do.

I think consultation makes sense.

The other Regions and HQ do not object to us setting up a consultation date for the Southern Ute and Ute Mountain Ute re: the Conceptual Monitoring Plan. If Kim, Alfreda and Shaun think that is the right approach, we have a green light. Paul, please be sure that Alfreda's advice is sought. Thanks. Joan
